But we are expending our colours on propose to import from China, but avail him-Colony, while the Governor is sitting for self of the superfluous Mongolian material at ile portrait. fr. Patrick Maloney, or "The Maloney

e lored to be called, had been of eminent vice to the Government when the "malt pation" was raised. It is perfectly true that on Mr. Maloney edocerafully contested a liamentary election in Bullynoanail, South t be should have interested himself so warmly out the Sassenach's drink. As it turned out, never, his opinion on malt was of considerahe appointment was certainly immansely isfactory to The Maloney's family, particularly bis father, who though he had often in latter

partments turned inside out, their accounts verbanied, themselves builted, insulted, und regtened, before three months they all had inate genticman, who on the strength of a snother lot of opinm of 250 pounds, which had apposed arror of five-pence in his accounts teen smuggled on the last steamer from China.

Alts. light holted up a river into the interior, in t ie wild hope perhaps of lying penha until. It has been decided that the poison in lead

bmething turned up to his advantage. But the water-pipes, after being taken into the system idefatigable Governor was not to be baulked for about 130 years, will cause a person to feel his prey, and the delectable sight was offered very uncomfortable. Then, they shouldn't use en that of Cariboo.

SYED AMEERAL! AMONG THE LADIES Now-a-days, everyone wants to get into most courageously in honor of their Dulcinean.

THE CHINESE LABOR EXPERIMENT IN TEXAS. The Galveston Civilian, of April 2ad, thus refers to the consignment of Chinaman shipped The experiment with Chinese labor in Texas has now been three months in operation, and every way of the men employed. Steady at mindful of the stipulations of their agreement. but exicting in the fuffiment of those in their favor, is the sum of the evidence in relation to them. They find no inconvenience in the cli-We think this result settles the question as to the class of labor that must be sought to revive We (Bulletin) understand that Mr. Dorsey. has orders for " more of the same sort," which he is making arrangements to fill. He does not band in this and other states of the Pacific.

TRAPALGAR SQUARE DEMONSTRA-

There was another "demonstration" in Traland, he did not dwell strongly, or at length, falgar square on Friday. It was said to reprehis convictions as to this important point, sent the Society which calls itself the "Land seed, he spoke with such contempt and deri- and Labour League," Whatever it was, it was n of the Sassenach and his doings, that it was one of the most lamentable exhibitions of wildpatter of surprise to some to his constituents must and weakness which ever sought an openair embodiment. A small contingent of mon -perhaps a hundred—with a few dingy flags reminding one of the worst of the Fedjan gavalue as affecting a division list, and like all therings of a year or two since, marched up to age of value it procured for him an equivalent | the Nelson monument between four and five in . the shape of an offer of the Governorship of the afternoon, proceeded by a brass band playing a tune as near the "Marseillaise" as the preponderating French horns would permit of Four or five men-leaders of the "movement" -were dragged up to the top of the pedestal, res heard his son spoken of as a shirting light, which had been for some time occupied by an herer in his native wilds noticed anything ill-looking set of fellows of the baser sort, some ticularly shiring about his son but the kneed of whom might by a stretch of the imagination his trowers. But now all this was changed he regarded as specimens of the unemployed trick, as a fell-blown "Excellency" would houest labour. The majority, it is to be hoped, tainly be in a position to pay off certain were neither members nor supporters of the wy advances for election expenses; advances " League," for, although they were very t had been spacezed out of brothers, sisters, quiet throughout the meeting, their general cles, aunts, all eager to sacrifice their pockets character could hardly be mistaken. Once the vicarious honour showered on them in more Bir Edwin Landscor's British lions person of the family Member of Parliament, were bestridden by the London street bays the few weeks between the appointment boy, whose rags and dirt the bright April this arrival at his seat of Government, were sun searchingly displayed to the public gaze, unget the essectest of Mr. Maloney's life Besides the little host who had marched from ose contain enobs, the London tradesmen. Clerkenwell, there was a miscellaneous crowd re auxious to give him any amount of credit: of men, women, and children of the labouring days his rooms were berieged by crowds of an distinct from the artizen class, and adding thing tailors, exger to supply the uniforms. to those the shifting passers by, who inspected the distance and swords, without which, as we the gathering from its outposts, there was an excellent and swords, without which, as we I know, no man would pretend to govern a seasonhlige of perhaps 300—certainly not more, it she Colony. As it happened, however, Mr. I happened, however, Mr. I troubled himself little about pour of dignition for the matter of that, about anything a. Of him it is recorded that one of his if there had been breeze enough. The square twants having stolen a piece of pork, His itself had for some time before the arrival icellency sent a verbal message to the magis-be in defiled by the St. Giles's gang, who sang ite who was trying the offender to settle the semi-seditions ballads, and recited mock se quickly, as he was anxious to ding off the Litanies. Mr. Odger, who had been announced deconsistion." It may be imagined then, as a speaker, did not appear, nor did one of the at when the new Governor duly arrived in a class of whom that gentleman is chief. The an of war accompanied by a Scoretary, Mr speakers were of a very inferior type. Their remarks were received with the utmost indiffernfiding relations already mentioned), and rayed in cloth of gold, &c., twenty European habitants forming the white population of the and rushed off to their bungalows to look that the west received with the utinost manner once, unless they breathed threatenings and slaughter. The correspondence with Mr. Gladation, wherein the right home gentleman, while declining to receive a deputation, promised to give his careful attention to any communication and the state of the process of the made to him, was read. The most successful Certainly the official reception was a very thing the chairman said was, that as the

and affair. The Governor would have been all Premier could find time to receive deputations ace, had be not been all dignity. He managed tof licensed victuallers and other interests, make the by-attenders feel that they ought to whose business it is to make the working man as hands. The naiform and rocked hat were worse than he is," he ought to have continued, rtainly very anacesaful, but somelion or other - in the interests of humanity," to receive the officials went home after the first Leaguers. The next speaker adopted a less terview with a feeling that Lord Ernest's modest course. He declared that it was wrong stem of administration was a thing of the to hold land as private property. He hold yassertst, and on the whole, perhaps they didn't ed that every penny taken for entwasdown right ite like the idea of a change, Had they robbery. Encouraged by the faint cheers that nown what the change was to be, they would arose in divers places, he then advanced a little we been more surrowful than they retually further, and latimated that landlords were ere. Within three months of his arrival, Mr. "not only robbers, but murderers and thieves." aloney had made everybody in Cariboo He referred to them afterwards in the milder infully aware of his presence and the interest of "rascals," and "inembers of the real stance of his functions. He gave a hall on criminal class." Entering into the intricacies repose that the three ludies of the Island of the land question, he bonestly assured the ight be led up to him by his private Secretary, listeners that "we don't want to pull out a id then and there denced with. Dinners at long knife and take the land away by the same averament flouse afforded him special delight. process as they (the landlords) got it; we mean process as they (the landlords) got it; we mean be could keep his guests waiting, and then to take it by moral mems." The intimation, helped first. A species of entertainment which brough on the whole peaceful in in-lled by Mr. O'beary in the invitation cards, tention, was uttered with warlike gesture and a drain," in addition to the great merit of tone, did not please a gentleman apparently of the charge of the many other people "or anyhow." The orator next ventured upon a an Governors would be termed stupid dissertation upon Good Friday, looking at it

Igarity.

It was, however, in his political administrative he said, or rather shricked, "have been an that the new Covernor especially dis- on their knees to-day to thank God for a nguished himself. A kind of sitrap of the Sariour. He has been a saviour to them, not ek stairs, be succeeded in making the misera- to us. Why, if he came back again to overe officials about him realize his power and turn the money changers, they'd crucity Him ead his very look. It would seem that he just as t'others did; any way they'd lock Him oked upon his subordinates as so many skittles | up." The speaker got, bye-said bye, to the Irish he bowled over, and he certainly did bowl question, protesting that if he were Pat he em over with a vengeance. Poor, timid, would be a worse Fenian than ever, A memorial ver-imitten old men, dragging on an existence, was adopted to the Government, and the bopes of living until such time as they meeting broke up peaceably and good hundly be entitled to a pitiful pension and humonrolly; the promoters marching north-tirement to Christenham or lieumington, words to the tune of "Anid lang Syne."—Daily nailed before the terrible Maloney. Their Naca, April 1826.
